In consideration of the permission granted by Elwood to use its property/facilities for the specific activity or activities identified and for other valuable consideration provided or required to be provided, the Sponsoring Organization/Group agrees as follows:

It is fully understood and agreed that the Sponsoring Organization/Group guarantees to hold Elwood harmless against any and all suits, claims or actions of any manner which might arise as the result of any activities, and the Sponsoring Organization/Group agrees to defend Elwood and indemnify it against any and all expenses incurred in the defense of any suit, claim of any type arising out of the activity or any damages, judgments or decrees which might be awarded against Elwood in the event that suit should be brought as a result of the activity(ies).

I, individually and on behalf of the Sponsoring Organization/Group or it's participants further agree to assume all responsibility for the conduct and safety of the organization and/or group and its members, and to make payments to Elwood for any damages done to the park/facility used by the organization and/or group. I also agree to clean the park facility following the event as to return it to the same condition as it was prior to the event.
