Good Afternoon Ms. Peterson,

I searched my emails and could not locate your original request.

This email is in response to your FOIA request re:

Please send me Any and all EPA studies done by Northpoint or the village or East gate compass business park regarding all land and all the complete project.

All studies conducted to this date.

Response: There was no requirement for NorthPoint/Eastgate/Compass Business Park to complete any EPA studies. The Village did not have an EPA study completed for NorthPoint/Eastgate/Compass Business Park. NorthPoint/Eastgate/Compass Business Park did not submit an EPA study to the Village of Elwood, therefore the Village does not have any records responsive to your request.

Thank you,

Julie Friebele
