Good Afternoon,

As per our conversation, the information relating to your FOIA request re: Responsive information/documentation on building violation, property fees/fines, and permits pulled for property located at 812 Archer Lane, Elwood.

Response: The water service is currently disconnected. Buyers will have to set up an account with the Village for services. The Village does not have any responsive records relating to your request as to documentation on building violation, property fees/fines, or permits pulled.

Thank you and enjoy your day!
