

# Children's Garden Group Tour Guidelines

The Children's Garden welcomes visitors and is happy to accommodate groups. We ask tour organizers and classroom teachers to comply with the following guidelines when planning a visit to the Children's Garden:

1. Reserve a date and time for your group's visit. Our garden will accommodate one group or classroom at a time, so advanced scheduling is required. Unscheduled tour groups are not guaranteed admittance into the garden.
2. The garden picnic area is available for groups smaller than 10. All others are free to call the Village to reserve the Lloyd Erickson Park Pavilion.
3. Parents and grownups need to stay with children and young visitors at all times.
4. Please stay on the paths to protect the plant life, and the flowers/vegetables are not to be picked.
5. Pets, bicycles, skateboards, smoking and alcohol are not permitted in the Children's Garden.

*To make reservations or to inquire further about group tours, please call the Village of Elwood at (815) 423-5011.*
